Hello everyone! This past winter was tough but we are now well into summer! We have been enjoying our lovely gazebo out by the flower garden. Our ladies have been out there visiting and enjoying the breaks in the wet weather! The rain has been great for our lawn.

We just celebrated our annual family picnic. We all enjoyed barbeque ribs, shredded chicken sandwiches, au gratin potatoes, macaroni and cheese, corn casserole, rolls, and for dessert; chocolate chip cookies and pies (apple and lemon meringue).

Sound good? It was!

We had a fabulous group; “Bridge County Bluegrass Band” out to entertain us. We also had some awesome yard games to play and door prizes were given out.

Best of all, the weather

dried up and we enjoyed warm and dry conditions. The sun even was out the whole day.

The women of the Judson Palmer Home have been out and about a lot and have been very active. A few of their outings and

activities have been, trip to The Toledo Zoo, Kathy’s Corner, The Easter Sand Sculptures, Dietsch’s, New year’s eve at Olive garden, Tim Horton’s coffee, lunch and entertainment at University of Findlay, Senior center for lunch and their awesome band, Cherry’s Market for chocolates, Suter’s Farm for cider and pumpkins, Alive! Easter Program at Upper Room Church of God, Bible studies with Deb Byrd and Janealla Killbrew, Valentines Tea party, nature walks, movie time with popcorn, Oreo Cookie party, Lots of shopping trips, helping the Easter bunny make Easter eggs, Crafts for our Christmas bazaar which includes, blankets, bookmarks, cross-stitch projects, and candy

making, and this Spring we had our annual Spring Tea with crooner Charles Ewing as our entertainment. We love to stay active at the Palmer Home and of course there is plenty of time for quiet cozy games or reading or music appreciation.

We have much to be thankful for here at the Judson Palmer Home. We have a professional staff of our Administrator who is a Registered nurse who also heads up our nursing department as Director of Nursing. We have 24 hours a day, 7 days a week a nursing staff of LPNs and STNAs. A Dietician, Maintenance person, Dietary department, Housekeeping staff, and a very busy Activities Department. All working together, themselves as family members of JPH, with pride in

their work, love in their heart for one another and the women who reside here, and a remarkable sense of commitment to each other and the Judson Palmer Home.

We encourage anyone who knows a woman 55 or older who lives alone, and is lonely or afraid to be by herself, or is in failing health and needs assistance with cares to call us at 419-422-9656 to get more information. We’d be happy to talk with you about the Palmer Home, answer all your questions, and schedule a tour.
